- 10. Did you have any staffing shortages and procedural violations by employees or precinct workers during the conduct of the election?

  (Section 102.141 (9)(a)4., F.S.)
  - ☑ NO Proceed to 11.
  - □ YES Summarize the number of issues in each of the appropriate columns in the table below. Attach an explanation of who (the supervisor of elections or the canvassing board, as applicable) and what the steps that were taken to address the shortages and/or procedural violations.

|                   | Number of shortages | Number of instances of insufficient training   | Number of times when procedures were violated |
|-------------------|---------------------|--|---|
| Poll workers      |                     |  |   |
| Election staff    |                     | A SECTION OF THE SECT | 3   |
| Security          |                     |  |   |
| Temporary support |                     |  |   |

11. Were there instances when the needs for staffing and equipment were insufficient to meet voters' needs?

(Section 102.141 (9)(a)5., F.S.)

- NO Proceed to 12.
- **TYES** Fill in the numbers in each of the appropriate columns in the table below. Attach an explanation of the steps that were taken to address the insufficiency.

|                              | Number of <u>planned</u><br>resources for Election Day | Number of resources  available for Election Day | Number of insufficient resources on Election Day to meet the voters' needs |
|------------------------------|--|---|--|
| Poll workers                 |  |   | ii .   |
| Election staff               |  | 4   | 1  |
| Voting devices               |  | Note below and see page 1                       |  |
| Other equipment and supplies |  |   |  |

Note: The number of "planned" items is based on the Election Day estimates, and "available" is the actual items at the start of the Election Day. Note that the number of voting devices available is based on the actual initial total deployment including ADA devices as provided on page 1 for Election Day. Other equipment and supplies, for example, refers to summation of the number of electronic pollbook devices, provisional ballot supplies, ballot boxes, transfer bags, etc.

| 13. Do you have any additional information regarding material issues and problems associated with the conduct of election?  (Sections 101.0932(2) and 102.166(4), F.S. and Rules 1S-2.027 and 1S-2.031)  □ N/A Proceed to 13. □ NO Proceed to 13. □ YES If yes, provide suggested revisions to the standards below and, as necessary, attach additional pages and a copy of a representative ballot for which a determination could not be made to illustrate the issue.  13. Do you have any additional information regarding material issues and problems associated with the conduct of election? (Section 102.141 (9)(a)6., F.S.) □ NO Proceed to 14. □ YES Indicate on the checklist below the type of issue(s) or problem(s). Attach an explanation of the steps that were taken to address the issue(s) or problem(s).  Checklist  Early Voting and Election Day  Polling location □ Incorrect setup □ Solicitation area violated □ Incompatible for Joha accessibility □ Incompatible for Joha content register error □ Paper poll book / precinct register error □ Process error  (Checklist continued on next page) |       | CONDUCT OF ELECTION REPORT   |
